

Mathletics competition 2018

May 20, 2018

Mathletics competition 2018, an annual two member team competition organised by Assam Academy of Mathematics (AAM) will be held on May 20, 2018 (Sunday) in all AAM centres throughout the State. Any two students studying in same institution in class IX or X (including those appearing X final) can form a team of mathletes and participate in the competition by applying jointly through prescribed application form. The application form is available with all centre coordinators as well as in AAM website <http://www.aamonline.org>. Completely filled in form forwarded by the Head of the institution and the legal guardian must be submitted to the centre coordinator of the team's choice latest by May 17, 2018 along with an entry fee of Rs.200/-(Rs.100/- per member). The form contains a brief syllabus and a sample of past paper in order to motivate the students for the competition. Based on the performance in the competition, few top teams will be shortlisted for AAM awards and certificates to be awarded at a felicitation programme to be organised in connection with Ramanujan Day on 22nd December, 2018. *Details of AAM centres are given on page2 of the prescribed application form.*
